# Things to Do in Sharm El Sheikh

## 1. ALF LEILA WA LEILA

King Shahriyar had become disgruntled with the unfaithfulness of women, and vowed to have a new wife each night. Each was to be executed the following morning. Shahrazad, when her turn came, enacted a clever plan. Each night she told Shahriyar a story without an end. The King became so entranced by Shahrazad's stories that he would long to hear the conclusion of each one;

and night after night Shahrazad would leave him in suspense, thus earning herself a further stay of execution. This went on for a thousand and one nights, in Arabic: Alf Leila Wa Leila...

Come and enjoy the magic with a great variety of restaurants, shops, sound- and lightshows about Egypt's glorious history, fantastic folklore shows and whirling dervishes...
